

Eternally Transformed

Verse 1

Freedom from this day forth
New life in Jesus

By grace we've been transformed
You have redeemed us

Verse 2

We offer all our days
Worship unceasing

A living sacrifice
Holy and pleasing

Pre Chorus

Steadfast in mercy's triumph
Designed anew
Yielding to earth no longer
This mind renewed

Chorus

Set apart in worship
This life an offering
Set apart in freedom
For His Kingdom

Set apart in worship
This life an offering
Set apart in freedom
Abiding in His love
Eternally transformed
