

Leaning On His Name

Verse 1:

There's power in your name
Eyes are opened
You came to light the way

When all things fade away
Rock of ages
Your love will still remain

Verse 2:

Mysterious oh Lord
Are your mercies
We stand in awe of you

Though understanding fails
Through your wisdom
Your kingdom will prevail

Pre Chorus:

We bow before you
'Cause you're the only way
We'll follow You Jesus

Chorus:

We're leaning on His name
Saviour Jesus
The way the truth and life
His Spirit guides us
That all might see His hope and glory
The glory of His name
Jesus
