

No Greater Love

by Andrew Parker 2021 – CCLI 7189874

Verse 1

You healed the sick and called the lost
You walked the blameless life
Yet still the time would come for you to pay

Verse 2

The curtain tore and darkness fell
You cried out and breathed your last
You laid your spirit in the father's hands

Pre Chorus

The chains of sin have fallen
You've set us free

Chorus

No greater love
Than on that cross
How great the price
The cost we can't imagine
Impossible to fathom all you gave
That we might live
For you

Verse 3

You ransomed us while slaves to sin
The price God's only son
A spotless sacrifice once and for all

Verse 4

Now sons and daughters of the King
We live by love not fear
To serve you now and for eternity
