

Verse 1

We'll run the race for the crown
That lasts forever
As pilgrims heavenward bound
To life eternal

We'll run with eyes set on Him
Our saviour Jesus
Await His glorious return
This hope it carries us on

Chorus

Run the race
Run and fight the good fight
Run to be with Jesus on that glorious day
Run for souls
Run that all would be saved
All for His glory
Run the good race

Verse 2

We'll press on through every trial
And trust in His name
The weight and burden of sin
Shall not entangle

His hand of mercy is there
If we should stumble
When we are weak He is strong
His strength it carries us on

Chorus

Verse 3

We'll run to carry the word
To all the nations
The race for souls is at hand
We cannot tarry

The wayward turn only by
His grace and mercy
The work of God is alive
His Spirit carries us on

Chorus
