♩ = 124

**Verse**

Your word is truth,　a lamp to guide us.　By grace we've found　this narr-ow path.
Your word has power,　to pierce the dark-ness.　This migh-ty sword　cuts to the heart.
Your word was there,　when time a-wak-ened.　The un-i-verse　at your com-mand.

We're mar-ching forward　to-ward sal-va-tion.　Our eve-ry step　is in your hands.Your
We fight not flesh,　but in the spi-rit.　Fear-less we stand　in Je-sus' name.
Your word re-mains,　our so-lid an-chor.　E-ter-nal God,　un-chang-ing love.
