

## **The Seed Will Grow**

### Verse 1

We will plant the seed  
That the Lord will grow  
By the Living stream  
Where abundance flows  
When we cannot see  
You will grow  
Every planted seed  
Give us faith to know

### Chorus

With patience we will see a mighty flood  
Soon will be harvest time  
Lord God your Kingdom come  
Your will be done  
We'll plant the seed where the living waters flow  
Give us a heart for souls  
Lord God the faith to know  
The seed will grow

### Verse 2

We will plant the seed  
With a heart for souls  
And expectancy  
For His Kingdom reigns  
Such a tiny seed  
Who would know  
That a mighty tree  
Our Lord God will grow

### Chorus

With patience we will see a mighty flood  
Soon will be harvest time  
Lord God your Kingdom come  
Your will be done  
We'll plant the seed where the living waters flow  
Give us a heart for souls  
Lord God the faith to know  
The seed will grow
